

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	7:00 AM	5:00 PM	Registration Open			Palais des congres de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	7:00 AM	7:45 AM	Sunrise Tai Chi	peaceful way to start the day for conference attendees. This early-morning event is designed to help participants relax, center themselves, and engage in light physical activity before diving into the day's		Palais des congres de Montreal	Ski Station - Outside of Rooms 510 & 511
Mon, Jun 23	7:00 AM	8:00 AM	Prayer Breakfast	annual prayer breakfast at the ASEE Conference on Wednesday morning of this year's conference. On this Monday, we meet and connect with colleagues to begin the conference with prayer. Our speaker will talk		Palais des congres de Montreal	516D
Mon, Jun 23	8:00 AM	9:00 AM	MONDAY PLENARY & Keynote Panel Sponsored by Florida International University	Conference with a bang! ASEE President will welcome attendees. A keynote address will provide important insights and set the tone for the conference's dynamic learning opportunities and meaningful conversations.		Palais des congres de Montreal	517CD - General Session
Mon, Jun 23	8:00 AM	5:00 PM	Mothers Room			Palais des congres de Montreal	440 - Mother's Room
Mon, Jun 23	8:00 AM	5:00 PM	Quiet Room			Palais des congres de Montreal	441 - Quiet Room
Mon, Jun 23	8:00 AM	5:00 PM	Childcare - Limited Availability - Advanced Registration Required	https://form.jotform.com/KiddieCorp/aseekids We are delighted to announce that KiddieCorp		Palais des congres de Montreal	710B - Childcare
Mon, Jun 23	9:00 AM	6:00 PM	Exhibit Hall Open & Poster Viewing			Palais des congres de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:00 AM	6:00 PM	Mathworks Mini-Drone Competition			Palais des congres de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Engineering Ethics Division (ETHICS) Poster Session		Engineering Ethics Division (ETHICS)	Palais des congres de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	FOCUS ON EXHIBITS: ASEE Division Poster Session & Networking Break	Session & Networking Break is a key event during the American Society for Engineering Education (ASEE) Annual Conference, designed to promote both academic research and industry innovations within engineering		Palais des congres de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Make It! Manufacturing Division Poster Session	Maker presentations. Presenters are required to conduct demonstrations and it is highly interactive. For those interested in: Academia-Industry	Manufacturing Division (MFG)	Palais des congres de Montreal	001 -Exhibit Hall 220 C

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	9:15 AM	10:45 AM	Aerospace Division (AERO) Poster Session		Aerospace Division (AERO)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Continuing, Professional, and Online Education Division (CPOED) Poster Session		Professional, and Online Education Division (CPOED)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Cooperative and Experiential Education Division (CEED) Poster Session		Cooperative and Experiential Education Division (CEED)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Design in Engineering Education Division (DEED) Poster Session	collection ideas, work-in-progress studies, and innovative practices in engineering design education. Attendees are invited to engage directly with authors, explore methodologies, and discuss findings that offer fresh	Design in Engineering Education Division (DEED)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Educational Research and Methods Division (ERM) Poster Session		Educational Research and Methods Division (ERM)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Poster Session-Electrical and Computer Engineering Division (ECE)	Poster Session-Electrical and Computer Engineering Division (ECE)	Electrical and Computer Engineering Division (ECE)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Energy Conversion, Conservation and Nuclear Engineering Division (ECCNE) Poster Session		Conversion, Conservation and Nuclear Engineering Division	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Engineering and Public Policy Division (EPP) Poster Session		Engineering and Public Policy Division (EPP)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Engineering Libraries Division (ELD) Poster Session		Engineering Libraries Division (ELD)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Entrepreneurship & Engineering Innovation Division (ENT) Poster Session		Entrepreneurship & Engineering Innovation Division (ENT)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Environmental Engineering & Sustainability Division (ENVIRON) Poster Session		Environmental Engineering & Sustainability Division (ENVIRON)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Experimentation and Laboratory-Oriented Studies Division (DELOS) Poster Session		n and Laboratory-Oriented Studies Division (DELOS)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	9:15 AM	10:45 AM	Computing and Information Technology Division (CIT) Poster Session		Computing and Information Technology Division (CIT)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	International Division (INTL) Poster Session		International Division (INTL)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	WIP Poster Session: Emerging Research and Practices in Pre-College Engineering Education	progress projects exploring multilingual competencies, culturally relevant STEAM, computational thinking, VR for autism inclusion, family engagement, community partnerships, summer workforce programs, AI	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Materials Division (MATS) Poster Session		Materials Division (MATS)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Mathematics Division (MATH) Poster Session		Mathematics Division (MATH)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Mechanical Engineering Division (MECH) Poster Session		Mechanical Engineering Division (MECH)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Biomedical Engineering Division (BED) Poster Session		Biomedical Engineering Division (BED)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Multidisciplinary Engineering Division (MULTI) Poster Session		Multidisciplinary Engineering Division (MULTI)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Ocean and Marine Division (OMED) Poster Session		Ocean and Marine Division (OMED)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Engineering Physics and Physics Division (EP2D) Poster Session		Engineering Physics and Physics Division (EP2D)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Technological and Engineering Literacy/Philosophy of Engineering Division (TELPhe) Poster Session		and Engineering Literacy/Philosophy of Engineering Division	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Chemical Engineering Division (ChED) Poster Session		Chemical Engineering Division (ChED)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	9:15 AM	10:45 AM	Women in Engineering Division (WIED) Poster Session		Women in Engineering Division (WIED)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Community Engagement Division (COMMENG) Poster Session		Community Engagement Division (COMMENG)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Engineering Leadership Development Division (LEAD) Poster Session	A poster session displaying the works of submitted to the LEAD Division	Engineering Leadership Development Division (LEAD)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Faculty Development Division (FDD) Poster Session		Faculty Development Division (FDD)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Equity, Culture & Social Justice in Education Division (EQUITY) Poster Session		Equity, Culture & Social Justice in Education Division (EQUITY)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Civil Engineering Division (CIVIL) Poster Session		Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Computers in Education Division (COED) Poster Session (Track 1.A)		Computers in Education Division (COED)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	9:15 AM	10:45 AM	Construction Engineering Division (CONST) Poster Session		Construction Engineering Division (CONST)	Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	11:00 AM	12:30 PM	DISTINGUISHED PANEL: Neurodiversity and the University's Role: Perspectives on Education and Career Preparedness	role universities play in creating inclusive environments for neurodiverse students. As we acknowledge and celebrate the diverse neurological profiles that enrich our academic and professional communities, it's crucial	and Artificial Intelligence (DSAI) Constituent Committee,Co	Palais des congrès de Montreal	512A
Mon, Jun 23	11:00 AM	12:30 PM	Two Year College Division Model Design Poster Session	This session is for the participants of the Hockey Hat-trick competition to present how the team designed and built the autonomous robot for the competition.	Two-Year College Division (TYCD)	Palais des congrès de Montreal	710A
Mon, Jun 23	11:00 AM	12:30 PM	with Ethical Engineering Research to Discern Strategies for Ethics Teaching, Training, and Mentoring	share empirical data on the experiences with ethics in engineering research of biomedical engineering faculty members. We will then facilitate a generative discussion among participants toward the identification of	Engineering Ethics Division (ETHICS)	Westin Montreal	Victoria - 3rd Floor
Mon, Jun 23	11:00 AM	12:30 PM	Developing Constructive Peer Reviewing Skills in Engineering Education	editorial board of the Journal of Engineering Education and will focus on developing constructive peer reviewing skills. Pitched particularly for graduate students and new members of the engineering education	Engineering Educators Division (NEE),New Engineering	Palais des congrès de Montreal	524B

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	11:00 AM	12:30 PM	Engineering Economy Division Business Meeting	Meeting to discuss the activities of the division: close the loop on technical sessions participation, fill vacant office positions and discuss pressing issues of the division.	Engineering Economy Division (EED)	Westin Montreal	Notre Dame - 3rd Floor
Mon, Jun 23	11:00 AM	12:30 PM	Implementing the Four Pillars - Mapping Mfg program curricula	disseminated SME Four Pillars of Manufacturing Knowledge. There will be case studies shared that map four pillars topics to the manufacturing program curriculum. These mapping case studies will illustrate one	Manufacturing Division (MFG)	Palais des congres de Montreal	513B
Mon, Jun 23	11:00 AM	12:30 PM	Faculty Development Special Session: Case Study Clinic	Methodology in faculty development. This session will model an actionable Case Clinic methodology (https://drive.google.com/file/d/1UtbYtg4B5s2Eb8og_DFVT0sjNrWPimz8/view (see pgs 54	Faculty Development Division (FDD)	Palais des congres de Montreal	524C
Mon, Jun 23	11:00 AM	12:30 PM	Engineering Libraries Division (ELD) Networking Session		Libraries Division (ELD), Engineering Libraries Division (ELD)	Palais des congres de Montreal	516C
Mon, Jun 23	11:00 AM	12:30 PM	Biomedical Engineering Speed Networking	Biomedical Engineering Division (BED) programming at the ASEE conference. The goal of this session is to develop connections and build community among educators in biomedical engineering. The format will consist	Engineering Division (BED), Biomedical Engineering Division (BED)	Westin Montreal	Ramezay - 8th Floor
Mon, Jun 23	11:00 AM	12:30 PM	Greet the Stars! ASEE New Members & First Timers Orientation	and First-Time Attendees Orientation is a welcoming session designed to help newcomers feel comfortable and informed as they navigate their first ASEE conference. This orientation provides an overview of the		Palais des congres de Montreal	517A
Mon, Jun 23	11:00 AM	12:30 PM	Deconstructing Whiteness: Challenging Norms in Engineering Education	impacting curriculum design, pedagogical approaches, and student experiences. Engineering education has historically privileged the values, beliefs, experiences and perspectives of White male culture,	Equity, Culture & Social Justice in Education Division (EQUITY)	Westin Montreal	St Jacques - 3rd Floor
Mon, Jun 23	11:00 AM	12:30 PM	Cultivating the Entrepreneurial Mindset in First-Year Engineering Students (EMIFY)	the Entrepreneurial Mindset in the First Year (EMIFY) initiative, dedicated to fostering entrepreneurial thinking among first-year engineering students. The session is designed in an interactive format, combining resource-	Programs Division (FPD), Entrepreneurship & Engineering	Palais des congres de Montreal	510C
Mon, Jun 23	11:00 AM	12:30 PM	CDEI Business Meeting & Constituent Award	Diversity, Equity, and Inclusion Award to recognize the actions of groups within ASEE and honor their work to promote diversity, equity, and inclusion within our society and within engineering and engineering technology		Westin Montreal	Ville-Marie B - 9th Floor
Mon, Jun 23	11:00 AM	12:30 PM	ERM Panel: Narrative Inquiry Methodology: Researchers' Perspectives	researchers will share their experiences and best practices with others who use/ plan to use narrative methods and want to gain a greater understanding of narrative theory and practice. The goals of the panel session are to: 1)	Educational Research and Methods Division (ERM)	Palais des congres de Montreal	511B
Mon, Jun 23	11:00 AM	12:30 PM	Undergraduate Experience Committee Business Meeting	(UEC) of the Engineering Deans Council will meet to discuss topics of interest to deans and associate deans, such as recruiting new members and identifying subjects for upcoming meetings. Proposed changes to the		Westin Montreal	St. Antione B - 9th Floor
Mon, Jun 23	11:00 AM	12:30 PM	Engineering Deans Council (EDC) Public Policy Committee Meeting	EDC Public Policy Committee Meeting		Westin Montreal	Bonsecours - 3rd Floor

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	11:00 AM	12:30 PM	PCEE Business Meeting	PCEE Business Meeting	Pre-College Engineering Education Division (PCEE)	Westin Montreal	Papineau - 3rd Floor
Mon, Jun 23	11:00 AM	12:30 PM	Materials Division (MATS) Business Meeting	Materials Division (MATS) Business Meeting	Materials Division (MATS)	Westin Montreal	Ville-Marie A - 9th Floor
Mon, Jun 23	11:00 AM	12:30 PM	ERM Business Meeting and ACCAR		Research and Methods Division (ERM), Educational Research	Palais des congrès de Montreal	517CD - General Session
Mon, Jun 23	11:00 AM	12:30 PM	Unlock best practices in pre-K to 12 engineering and data science activities with Teach Engineering. CP12	classroom-tested, standards-aligned K-12 STEM resources created in collaboration with educators across the nation. Our goal is to help educators put the "E" in STEM by making applied science,	Pre-College Engineering Education Division (PCEE)	Westin Montreal	Montreal C - 11th Floor
Mon, Jun 23	11:00 AM	12:30 PM	Best Practices for Incorporating AI into Engineering Research and Education - Presented by Florida International	Dr. Christian Poellabauer, Interim Associate Dean for Research and Graduate Studies, College of Engineering and Computing, Florida International University Dr. Mark A. Finlayson, Associate Director,		Palais des congrès de Montreal	518A - Sponsor Tech Room
Mon, Jun 23	11:00 AM	12:30 PM	Navigating ABET: Insider Tips on Accreditation, Preparing for your Site Visit & Becoming a PEV! Presented by ABET	accreditation visit, considering becoming a Program Evaluator (PEV), or just looking to stay informed on the latest ABET updates? This session is your all-in-one guide to navigating the accreditation process with confidence. Join		Palais des congrès de Montreal	518B - Sponsor Tech Room
Mon, Jun 23	11:00 AM	12:30 PM	Interdivisional Feedback Session	stop by to share the highlights of the conference and best practices with the PIC Chairpersons. Specific Topics of Discussion will involve:		Palais des congrès de Montreal	514B
Mon, Jun 23	11:00 AM	12:30 PM	Aerospace Division (AERO) Technical Session 1 - Experiential Learning		Aerospace Division (AERO)	Palais des congrès de Montreal	523B
Mon, Jun 23	11:00 AM	12:30 PM	Workforce Development, Undergraduate Education		Professional, and Online Education Division (CPOED)	Palais des congrès de Montreal	511D
Mon, Jun 23	11:00 AM	12:30 PM	Design in Engineering Education Division (DEED) - Student Motivation and Learning	motivation, confidence, and curiosity among engineering students. Through the use of curricular hackathons, game-based learning, and targeted pedagogical interventions, the studies reveal how informed approaches can	Design in Engineering Education Division (DEED)	Palais des congrès de Montreal	516D
Mon, Jun 23	11:00 AM	12:30 PM	Design in Engineering Education Division (DEED) - Societal Impact in Design	education can address broader societal challenges through ethical engagement. Presentations highlight the integration of design justice principles, reflective pedagogies, and global or community-based	Design in Engineering Education Division (DEED)	Westin Montreal	Montreal D - 11th Floor
Mon, Jun 23	11:00 AM	12:30 PM	ERM WIP I: Methodological Applications in the Disciplines	This session includes presentations associated with the evolution of methodological practice in engineering education research.	Educational Research and Methods Division (ERM)	Palais des congrès de Montreal	510A

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	11:00 AM	12:30 PM	ECE-Applications of AI and ChatGPT in Engineering Education	ECE Applications of AI and ChatGPT in Engineering Education	Electrical and Computer Engineering Division (ECE)	Palais des congrès de Montreal	516E
Mon, Jun 23	11:00 AM	12:30 PM	ECE-Student Learning and Academic Performance	ECE Student Learning and Academic Performance	Electrical and Computer Engineering Division (ECE)	Palais des congrès de Montreal	511A
Mon, Jun 23	11:00 AM	12:30 PM	ECCNE Technical Session 1 - Nuclear Engineering	Energy Conversion, Conservation, and Nuclear Engineering Division papers on Nuclear Engineering from Holistic Energy Education for Nuclear Engineers to Modernization of Nuclear Engineering Undergraduate Curriculum	Conversion, Conservation and Nuclear Engineering Division	Palais des congrès de Montreal	512H
Mon, Jun 23	11:00 AM	12:30 PM	Engineering and Public Policy Division (EPP) Technical Session 1		Engineering and Public Policy Division (EPP)	Palais des congrès de Montreal	522C
Mon, Jun 23	11:00 AM	12:30 PM	Engineering Design Graphics Division (EDGD) Technical Session 1		Engineering Design Graphics Division (EDGD)	Palais des congrès de Montreal	511E
Mon, Jun 23	11:00 AM	12:30 PM	Architectural Engineering Division (ARCHE) Technical Session 1		Architectural Engineering Division (ARCHE)	Palais des congrès de Montreal	515B
Mon, Jun 23	11:00 AM	12:30 PM	Engineering Management Pedagogy: Teaching for Real-World Impact	Management education. This session showcases cutting-edge courses and programs that equip future leaders with the skills and mindset needed to drive real-world change and deliver lasting professional	Engineering Management Division (EMD)	Palais des congrès de Montreal	525B
Mon, Jun 23	11:00 AM	12:30 PM	Engineering Technology Division (ETD) Technical Session 11		Engineering Technology Division (ETD)	Palais des congrès de Montreal	512C
Mon, Jun 23	11:00 AM	12:30 PM	ENT-1: Innovative Approaches to Student Engagement and Belonging in Engineering	and research aimed at enhancing student engagement and fostering a strong sense of belonging within engineering programs. Presentations will explore diverse methods to support student motivation, identity	Entrepreneurship & Engineering Innovation Division (ENT)	Palais des congrès de Montreal	516A
Mon, Jun 23	11:00 AM	12:30 PM	Tech Session 1: Integrating Sustainability in Engineering Curriculum: Pedagogy, Assessment, and Systems Thinking	Embedding sustainability into the core of engineering and STEM education through transformative pedagogy, student empowerment, and institutional alignment.	Environmental Engineering & Sustainability Division (ENVIRON)	Palais des congrès de Montreal	515C
Mon, Jun 23	11:00 AM	12:30 PM	ELOS Technical Session 1: Integrating AI, VR, and MR in Engineering Lab Experiences	This session includes a collection of presentations from authors who have integrated AI (artificial intelligence), VR (virtual reality), and MR (mixed reality) into engineering laboratories and student experiences.	n and Laboratory-Oriented Studies Division (DELOS)	Palais des congrès de Montreal	512D
Mon, Jun 23	11:00 AM	12:30 PM	First-Year Programs Division (FPD) Technical Session 1: Tech-Forward Teaching - Digital Tools to Enhance Engagement		First-Year Programs Division (FPD)	Westin Montreal	Montreal B - 11th Floor

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	11:00 AM	12:30 PM	Division (FPD) Technical Session 2: Designing Creativity - Innovation Through First-Year Maker Projects		First-Year Programs Division (FPD)	Westin Montreal	Palais - 8th Floor
Mon, Jun 23	11:00 AM	12:30 PM	GSD 1: From Recruitment to Retention		Graduate Studies Division (GSD)	Palais des congrès de Montreal	514A
Mon, Jun 23	11:00 AM	12:30 PM	Biological and Agricultural Engineering Division (BAE) Technical Session 1		Biological and Agricultural Engineering Division (BAE)	Palais des congrès de Montreal	523A
Mon, Jun 23	11:00 AM	12:30 PM	Computing and Information Technology Division (CIT) Technical Session 1	This session presents papers on a variety of topics pertaining to computing and information technology.	Computing and Information Technology Division (CIT)	Palais des congrès de Montreal	517B
Mon, Jun 23	11:00 AM	12:30 PM	Instrumentation in Engineering Projects	various sorts provide information that we use to learn, to analyze, and to design. Projects provide a useful framework to apply such instruments. In this session, we will hear of projects that have successfully applied various	Instrumentation Division (INST)	Palais des congrès de Montreal	521C
Mon, Jun 23	11:00 AM	12:30 PM	International Division (INTL): Cultivating Global Competencies		International Division (INTL)	Palais des congrès de Montreal	515A
Mon, Jun 23	11:00 AM	12:30 PM	Innovative Pathways in K-12 STEM: Bridging Emerging Technologies and Engineering Education	to K-12 STEM education through nuclear science, semiconductors, quantum concepts, and programming. Presenters explore curriculum design, pedagogical strategies, and longitudinal impacts, emphasizing how early	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	520B
Mon, Jun 23	11:00 AM	12:30 PM	Equity, Identity, and Pedagogy in Pre-College Engineering Education	opportunity, and pedagogical approaches shape student and educator experiences in K-12 engineering. Through case studies, design visualizations, and outreach initiatives, the papers highlight strategies to support	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	520C
Mon, Jun 23	11:00 AM	12:30 PM	Education/Engineering & Society Division (LEES) Technical Session 1: Critical Reflections on Teaching and Learning		Liberal Education/Engineering & Society Division (LEES)	Palais des congrès de Montreal	519B
Mon, Jun 23	11:00 AM	12:30 PM	Education/Engineering & Society Division (LEES) Technical Session 2: Identity, Professionalization, and		Liberal Education/Engineering & Society Division (LEES)	Palais des congrès de Montreal	510D
Mon, Jun 23	11:00 AM	12:30 PM	MATH - Works in Progress for Mathematics Education		Mathematics Division (MATH)	Palais des congrès de Montreal	513F
Mon, Jun 23	11:00 AM	12:30 PM	ME Technical Session 1 - Enhancing Mechanical Engineering Education: From Prerequisites to Practice		Mechanical Engineering Division (MECH)	Palais des congrès de Montreal	513A

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	11:00 AM	12:30 PM	ME Division 14: From M&Ms to Air Quality: Engaging Students in Energy and the Environment		Mechanical Engineering Division (MECH)	Palais des congrès de Montreal	513C
Mon, Jun 23	11:00 AM	12:30 PM	Mechanics Division (MECHS) Technical Session 1A		Mechanics Division (MECHS)	Westin Montreal	Viger - 8th Floor
Mon, Jun 23	11:00 AM	12:30 PM	Minorities in Engineering Division(MIND) Technical Session 1		Minorities in Engineering Division(MIND)	Palais des congrès de Montreal	513D
Mon, Jun 23	11:00 AM	12:30 PM	Multidisciplinary Engineering Division (MULTI) Technical Session 1		Multidisciplinary Engineering Division (MULTI)	Palais des congrès de Montreal	525A
Mon, Jun 23	11:00 AM	12:30 PM	Software Engineering Division (SWED) Technical Session 1		Software Engineering Division (SWED)	Palais des congrès de Montreal	522B
Mon, Jun 23	11:00 AM	12:30 PM	Engineering Identity and Student Support (Features 2 papers of STDT)		Student Division (STDT)	Palais des congrès de Montreal	514C
Mon, Jun 23	11:00 AM	12:30 PM	Systems Engineering Division (SYS) Technical Session 1	Systems thinking skills, framework, education, and application	Systems Engineering Division (SYS)	Palais des congrès de Montreal	522A
Mon, Jun 23	11:00 AM	12:30 PM	Engineering Literacy/Philosophy of Engineering Division (TELPhE) Technical Session 1		and Engineering Literacy/Philosophy of Engineering Division	Palais des congrès de Montreal	512E
Mon, Jun 23	11:00 AM	12:30 PM	Honoring the Legacy of Lisa Bullard: A View of the Present and Future	This session is to honor the impact of Lisa Bullard by curating papers that were and interest to her during her career in ChE Education.	Chemical Engineering Division (ChED)	Palais des congrès de Montreal	511C
Mon, Jun 23	11:00 AM	12:30 PM	WiP: Hands-on Learning and Safety		Chemical Engineering Division (ChED)	Palais des congrès de Montreal	511F
Mon, Jun 23	11:00 AM	12:30 PM	Programmatic Design and Resiliency Among Women Engineers	This session will explore how programmatic design in the U.S. and globally can impact interest, resiliency, and persistence among women engineers in academic environments.	Women in Engineering Division (WIED)	Palais des congrès de Montreal	520E
Mon, Jun 23	11:00 AM	12:30 PM	Bridging Engineering Education and Community Impact through Collaborative Design and Construction	hands-on, community-engaged learning experiences in engineering education. Through a series of case studies and collaborative reflections, presentations will highlight how undergraduate students are connected with	Community Engagement Division (COMMENG)	Palais des congrès de Montreal	520A

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	11:00 AM	12:30 PM	Mentorship in Engineering Leadership Development		Engineering Leadership Development Division (LEAD)	Palais des congrès de Montreal	520F
Mon, Jun 23	11:00 AM	12:30 PM	Military and Veterans Division (MVD) 1 - Access and Integration	Curricular, co-curricular, and programmatic supports for Student Veterans	Military and Veterans Division (MVD)	Palais des congrès de Montreal	512F
Mon, Jun 23	11:00 AM	12:30 PM	Faculty Development and Change	Faculty Development Papers that Focus on Creating or Supporting Change	Faculty Development Division (FDD)	Palais des congrès de Montreal	524A
Mon, Jun 23	11:00 AM	12:30 PM	Engineering Environments (Equity, Culture & Social Justice in Education Division ECSJ Technical Session 1)		Equity, Culture & Social Justice in Education Division (EQUITY)	Palais des congrès de Montreal	521B
Mon, Jun 23	11:00 AM	12:30 PM	ABET, PE, and CEBOK	Presenters will share perspectives on accreditation and professional preparation of graduates.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	510B
Mon, Jun 23	11:00 AM	12:30 PM	Sustainability & Civil Engineering	Presenters will share their experiences integrating societal, environmental, and economic considerations into projects and courses.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	519A

Mon, Jun 23	3:15 PM	4:45 PM	Engineering Ethics Division (ETHICS) Technical Session - Virtue & Ethics in the Profession		Engineering Ethics Division (ETHICS)	Palais des congrès de Montreal	525B
Mon, Jun 23	3:15 PM	4:45 PM	Engineering Libraries Division (ELD) Technical Session 1	Collections and Collaborations	Engineering Libraries Division (ELD)	Palais des congrès de Montreal	511E
Mon, Jun 23	3:15 PM	4:45 PM	Engineering Technology Division (ETD) Technical Session 1		Engineering Technology Division (ETD)	Palais des congrès de Montreal	512C
Mon, Jun 23	3:15 PM	4:45 PM	ENT-3: Transforming Engineering Curriculum through Entrepreneurial Approaches	initiatives that embed entrepreneurial principles into engineering curricula. Presenters will discuss curriculum redesigns, instructional innovations, and hands-on learning experiences that cultivate creativity,	Entrepreneurship & Engineering Innovation Division (ENT)	Palais des congrès de Montreal	516A
Mon, Jun 23	3:15 PM	4:45 PM	Tech Session 3: Emerging Trends in Engineering Education: AI, Clean Energy, and Curriculum Design	transformation of environmental engineering education, emphasizing technological integration, curricular adaptability, and the cultivation of student knowledge and mindset to lead in a rapidly changing world.	Environmental Engineering & Sustainability Division (ENVIRON)	Palais des congrès de Montreal	515C
Mon, Jun 23	3:15 PM	4:45 PM	ELOS Technical Session 3: Advancing Engineering Competencies: From Labs to Writing	Papers presented within this session are related to advancing student competency as it relates to laboratory-developed skills including improvements in technical writing.	Engineering and Laboratory-Oriented Studies Division (DELOS)	Palais des congrès de Montreal	512D
Mon, Jun 23	3:15 PM	4:45 PM	First-Year Programs Division (FPD) Work-in-Progress 2: Skills Development and Career Preparation		First-Year Programs Division (FPD)	Palais des congrès de Montreal	512F

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	3:15 PM	4:45 PM	First-Year Programs Division (FPD) Work-in-Progress 3: Integration of Math, Computing, and AI in First-Year Courses		First-Year Programs Division (FPD)	Palais des congrès de Montreal	512G
Mon, Jun 23	3:15 PM	4:45 PM	GSD 3: Pedagogy and Curriculum		Graduate Studies Division (GSD)	Palais des congrès de Montreal	514A
Mon, Jun 23	3:15 PM	4:45 PM	Computing and Information Technology Division (CIT) Technical Session 3	This session presents papers on a variety of topics pertaining to computing and information technology.	Computing and Information Technology Division (CIT)	Palais des congrès de Montreal	517B
Mon, Jun 23	3:15 PM	4:45 PM	International Division (INTL): Navigating Risks and Cross-Cultural Challenges		International Division (INTL)	Palais des congrès de Montreal	515A
Mon, Jun 23	3:15 PM	4:45 PM	Culturally Responsive and Identity-Affirming Approaches in Pre-College STEM Education	presents culturally responsive strategies that affirm diverse identities in STEM learning. Through models centered on African American, Latino/a, migratory, and transgender student experiences, the papers explore how	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	520D
Mon, Jun 23	3:15 PM	4:45 PM	Evaluating Pre-College STEM Programs: Longitudinal Impact, Integration, and Engagement	STEM initiatives through longitudinal studies, integrated curricula, online hands-on learning, and university partnerships. The papers highlight strategies to enhance student engagement, collaboration, and academic	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	520B
Mon, Jun 23	3:15 PM	4:45 PM	Innovations and Inclusion in Pre-Service and Pre-College STEM Education	to STEM education, including generative AI integration in teacher preparation, culturally connected international STEAM programs, and efforts to create inclusive engineering opportunities. It also addresses participation	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	520C
Mon, Jun 23	3:15 PM	4:45 PM	Liberal Education/Engineering & Society Division (LEES) Technical Session 4: Sociotechnical Integration		Liberal Education/Engineering & Society Division (LEES)	Palais des congrès de Montreal	519B
Mon, Jun 23	3:15 PM	4:45 PM	Manufacturing Division (MFG) Technical Session 2		Manufacturing Division (MFG)	Palais des congrès de Montreal	522C
Mon, Jun 23	3:15 PM	4:45 PM	Materials Division (MATS) Technical Session 4		Materials Division (MATS)	Palais des congrès de Montreal	515B
Mon, Jun 23	3:15 PM	4:45 PM	MATH - Pedagogical Reflections in Mathematics Education		Mathematics Division (MATH)	Palais des congrès de Montreal	513F
Mon, Jun 23	3:15 PM	4:45 PM	Mechanics Division (MECHS) Technical Session 3		Mechanics Division (MECHS)	Palais des congrès de Montreal	513A

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	3:15 PM	4:45 PM	AI, Technology, and Data-Driven Learning in Biomedical Engineering	machine learning, and data-driven approaches in biomedical engineering education. Presentations will explore AI-enhanced instructional strategies, including AI/ML activities for physiology courses and generative	Biomedical Engineering Division (BED)	Palais des congrès de Montreal	522B
Mon, Jun 23	3:15 PM	4:45 PM	Minorities in Engineering Division(MIND) Technical Session 3		Minorities in Engineering Division(MIND)	Palais des congrès de Montreal	513D
Mon, Jun 23	3:15 PM	4:45 PM	Multidisciplinary Engineering Division (MULTI) Technical Session 3		Multidisciplinary Engineering Division (MULTI)	Palais des congrès de Montreal	510D
Mon, Jun 23	3:15 PM	4:45 PM	Student Success and Support Mechanisms in Engineering Education		Student Division (STDT)	Palais des congrès de Montreal	514C
Mon, Jun 23	3:15 PM	4:45 PM	Engineering Literacy/Philosophy of Engineering Division (TELPhe) Technical Session 3		and Engineering Literacy/Philosophy of Engineering Division	Palais des congrès de Montreal	512E
Mon, Jun 23	3:15 PM	4:45 PM	Two-Year College Division (TYCD) Technical Session 2: Student Success and Support		Two-Year College Division (TYCD)	Palais des congrès de Montreal	522A
Mon, Jun 23	3:15 PM	4:45 PM	Community and Industry Collaboration for Sustainable Development	partnerships between communities and industries in driving sustainable development. Through a series of presentations, attendees will learn how collaboration between local communities and industry leaders can create	Community Engagement Division (COMMENG)	Palais des congrès de Montreal	520A
Mon, Jun 23	3:15 PM	4:45 PM	Evaluation and Assessment for Engineering Leadership Programs		Engineering Leadership Development Division (LEAD)	Palais des congrès de Montreal	520F
Mon, Jun 23	3:15 PM	4:45 PM	Faculty Development: Works-in-Progress room 1	These are papers on works in the early stages. The format will be 2 minutes intro by each author followed by round table discussions with the authors.	Faculty Development Division (FDD)	Westin Montreal	Montreal D - 11th Floor
Mon, Jun 23	3:15 PM	4:45 PM	Disability in Engineering Programs (Equity, Culture & Social Justice in Education Division ECSJ Technical Session 3)		Equity, Culture & Social Justice in Education Division (EQUITY)	Palais des congrès de Montreal	521C
Mon, Jun 23	3:15 PM	4:45 PM	Self-Efficacy & Mindset	Presenters will share how they are building self-efficacy and shaping mindset.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	510B
Mon, Jun 23	3:15 PM	4:45 PM	Civil Engineering in the Age of AI	Presenters will share how they are using artificial intelligence to enhance their courses and programs.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	519A

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	3:15 PM	4:45 PM	Computers in Education Division (COED) Track 2.B	AI and Innovative Teaching Approaches : AI for Feedback and Assessment	Computers in Education Division (COED)	Palais des congrès de Montreal	514B
Mon, Jun 23	3:15 PM	4:45 PM	Computers in Education Division (COED) Track 3.B	Computing Courses and Pedagogy: Introductory Programming Approaches	Computers in Education Division (COED)	Palais des congrès de Montreal	513E
Mon, Jun 23	3:15 PM	4:45 PM	Computers in Education Division (COED) Track 4.B	EdTech & Learning Environments: Frameworks for AI in Education	Computers in Education Division (COED)	Palais des congrès de Montreal	513B
Mon, Jun 23	3:15 PM	4:45 PM	Construction Engineering Division: Evolving Workforce and Practices in Modern Construction	A potpourri of papers on various construction topics.	Construction Engineering Division (CONST)	Palais des congrès de Montreal	512B
Mon, Jun 23	3:15 PM	4:45 PM	Faculty Development Works in Progress Session 2	These are papers on works in the early stages. The format will be 2 minutes intro by each author followed by round table discussions with the authors.	Faculty Development Division (FDD)	Westin Montreal	Montreal B - 11th Floor
Mon, Jun 23	3:15 PM	4:45 PM	DSAI Technical Session 3: Integrating Data Science in Curriculum Design	Explores strategies for embedding data science concepts into academic programs, ensuring curricula align with emerging industry and research demands.	and Artificial Intelligence (DSAI) Constituent Committee	Palais des congrès de Montreal	521A
Mon, Jun 23	5:00 PM	6:00 PM	FOCUS ON EXHIBITS: Summertime Social	lively and informal social event designed to foster networking and relationship-building among conference attendees, exhibitors, and sponsors in a relaxed setting. It provides a unique opportunity for participants to unwind,		Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Mon, Jun 23	6:00 PM	8:00 PM	NC State Reception			Westin Montreal	Montreal A - 11th Floor
Mon, Jun 23	6:00 PM	9:00 PM	Engineering and Public Policy Division (EPP) Social	Engineering and Public Policy Division (EPP) Social Event	Engineering and Public Policy Division (EPP)	offsite	
Mon, Jun 23	6:00 PM	8:00 PM	Electrical and Computer Engineering Division (ECE) Social (No-Host)	Join the ECE Division for a no-host social event, an informal opportunity to connect, network, and unwind with colleagues. Please note that all attendees will be responsible for their own food and beverages.	Electrical and Computer Engineering Division (ECE)	offsite	
Mon, Jun 23	6:30 PM	9:30 PM	Engineering Libraries Division (ELD) Welcome Reception	IEEE Sponsored Event for ELD Members - IEEE sent registration and location information to ELD members via the listserv.	Engineering Libraries Division (ELD)	offsite	
Mon, Jun 23	6:30 PM	10:00 PM	FPD Social	All are welcome to join us for the annual FPD social sponsored by EMIFY. Food and drinks will be served at the Grande Terrasse in the HÃ´tel Place d'Armes 55 Rue Saint-Jacques,	First-Year Programs Division (FPD)	offsite	

Day	Starts	Ends	Title	Description	Division	Location	Room
Mon, Jun 23	6:30 PM	7:30 PM	International Partners Reception (By Invitation Only)	International VIP Reception (By Invitation Only) Hosted by ASEE President Grant Crawford		Westin Montreal	Presidential Suite - Room 2208
Mon, Jun 23	7:00 PM	9:00 PM	DSA Social Event	with opportunities for networking, relaxation, and social interaction. These functions serve as a complement to the more formal conference activities such as technical sessions, panel discussions and workshops.	and Artificial Intelligence (DSAI) Constituent Committee, Data Science and Artificial	offsite	
Mon, Jun 23	7:00 PM	9:00 PM	EP2D and DSA Joint Social Event	partnership with the Data Science and Artificial Intelligence Division will host a dinner social for all who wish to attend. Appetizers will be provided. Each attendee will be responsible for their own meal and drinks. Join us for an	Physics and Physics Division (EP2D), Data Science and Artificial	offsite	
Mon, Jun 23	7:00 PM	9:00 PM	Mechanical Engineering Division Convivium	Convivium means a gathering with good company and food. Join us for our social event and get to know other folks in the Mechanical Engineering Division. We know you will leave having had a good time and with new friends.	Mechanical Engineering Division (MECH)	offsite	
Mon, Jun 23	7:00 PM	9:00 PM	EDGD Social		Engineering Design Graphics Division (EDGD)	offsite	
Mon, Jun 23	7:00 PM	9:00 PM	Biomedical Engineering Division (BED) Social and Awards Banquet	engineering division (BED) awardees, network, and celebrate the division's achievements. CentreÂ Mont-Royal Address:Â 2200 Mansfield St, Montreal,	Biomedical Engineering Division (BED)	offsite	
Mon, Jun 23	7:00 PM	9:00 PM	RAP Session (FREE Networking Event)	Please join us for canapÃ©s and drinks as we network and continue discussions from conference sessions! This event is for new and returning members alike.	Civil Engineering Division (CIVIL)	offsite	
Mon, Jun 23	7:00 PM	9:00 PM	Bits and Bytes - Social Gathering of the Computers in Education (COED) Division Members (Track 1.C)	Members of the Computers in Education Division - Join us for this informal get together - featuring a cash bar + appetizers!	Computers in Education Division (COED)	Palais des congrÃ©s de Montreal	516B
Mon, Jun 23	7:00 PM	9:00 PM	Zone I Social Session	networking with fellow Zone 1 members! We warmly welcome any ASEE members who wish to participate. Please note that the EPPD, DSAI, and Zone 1		offsite	
Mon, Jun 23	7:00 PM	9:00 PM	Campus Representative Member Recruitment Awards Reception	Annual campus representatives' reception and awards ceremony		Westin Montreal	Ramezay - 8th Floor
Mon, Jun 23	7:00 PM	9:00 PM	MULTI Social/Business Meeting	MULTI Social/Business meeting	Multidisciplinary Engineering Division (MULTI)	offsite	
Mon, Jun 23	7:00 PM	9:00 PM	Order of the Tattered Purple Badge - Past President's Dinner	Tougaw The Order of the Tattered Purple Badge â€œPast President's Dinner is an exclusive event organized by ASEE to honor its past presidents.		offsite

Day	Starts	Ends	Title	Description	Division	Location	Room
Tue, Jun 24	9:15 AM	10:45 AM	Multidisciplinary Engineering Division (MULTI) Technical Session 4		Multidisciplinary Engineering Division (MULTI)	Palais des congrès de Montreal	510D
Tue, Jun 24	9:15 AM	10:45 AM	Ocean and Marine Division (OMED) Technical Session 1		Ocean and Marine Division (OMED)	Palais des congrès de Montreal	522C
Tue, Jun 24	9:15 AM	10:45 AM	Software Engineering Division (SWED) Technical Session 3		Software Engineering Division (SWED)	Palais des congrès de Montreal	522B
Tue, Jun 24	9:15 AM	10:45 AM	Industry and Technical Engineering Education		Student Division (STDT)	Palais des congrès de Montreal	514C
Tue, Jun 24	9:15 AM	10:45 AM	Engineering Literacy/Philosophy of Engineering Division (TELPhE) Technical Session 4		and Engineering Literacy/Philosophy of Engineering Division	Palais des congrès de Montreal	512E
Tue, Jun 24	9:15 AM	10:45 AM	Messaging, Motivations and Supports for Women Engineers	The session covers studies on messaging, support, and systemic challenges experienced by women engineers in higher education environments.	Women in Engineering Division (WIED)	Palais des congrès de Montreal	513C
Tue, Jun 24	9:15 AM	10:45 AM	STEM Education and Intercultural Competence	STEM education and intercultural competence, emphasizing the importance of fostering diverse, inclusive, and globally aware learning environments. Presentations will highlight strategies for integrating cultural awareness	Community Engagement Division (COMMENG)	Palais des congrès de Montreal	520A
Tue, Jun 24	9:15 AM	10:45 AM	Military and Veterans Division (MVD) 3 - Moving Beyond the Uniform		Military and Veterans Division (MVD)	Palais des congrès de Montreal	512F
Tue, Jun 24	9:15 AM	10:45 AM	Interrogating Race, Caste, and Power (Equity, Culture & Social Justice in Education Division ECSJ Technical Session 4)		Equity, Culture & Social Justice in Education Division (EQUITY)	Palais des congrès de Montreal	521B
Tue, Jun 24	9:15 AM	10:45 AM	Responsibility through Curriculum (Equity, Culture & Social Justice in Education Division ECSJ Technical Session 5)		Equity, Culture & Social Justice in Education Division (EQUITY)	Palais des congrès de Montreal	521C
Tue, Jun 24	9:15 AM	10:45 AM	Curricular & Course Design	Presenters will share strategies for successful re-design across curricular and course levels.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	519A
Tue, Jun 24	9:15 AM	10:45 AM	Games & Competitions for Civil Engineering Education	Presenters will share how they use competitions and games to promote student learning and development.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	513B

Day	Starts	Ends	Title	Description	Division	Location	Room
Tue, Jun 24	9:15 AM	10:45 AM	ECE-Faculty Perspectives and Curriculum Evolution	ECE Faculty Perspectives and Curriculum Evolution	Electrical and Computer Engineering Division (ECE)	Palais des congrès de Montreal	511A
Tue, Jun 24	9:15 AM	10:45 AM	Engineering Libraries Division (ELD) Technical Session 2	Understanding and Supporting Our Students	Engineering Libraries Division (ELD)	Palais des congrès de Montreal	524A
Tue, Jun 24	9:15 AM	10:45 AM	DSAI Technical Session 4: Workshops, Professional Development, and Training	Highlights initiatives aimed at equipping educators and staff with skills in emerging technologies, pedagogies, and data-driven practices.	and Artificial Intelligence (DSAI) Constituent Committee	Palais des congrès de Montreal	521A
Tue, Jun 24	9:15 AM	10:45 AM	Developing an Interdisciplinary Master's Program on Sustainability in Engineering and Design	Engineering and Design (TISED) at McGill University has launched a Master's program on sustainability in the areas of engineering and design. These important areas are part of the solutions for climate change and other	Environmental Engineering & Sustainability Division (ENVIRON)	Palais des congrès de Montreal	515C
Tue, Jun 24	9:15 AM	10:45 AM	Minorities in Engineering Division(MIND) Technical Session 10		Minorities in Engineering Division(MIND)	Palais des congrès de Montreal	510C
Tue, Jun 24	10:00 AM	11:30 AM	EDGD Business Meeting	EDGD Business Meeting	Engineering Design Graphics Division (EDGD)	Westin Montreal	Ste Helene - 8th Floor
Tue, Jun 24	11:00 AM	12:30 PM	Teaching Tools Lightning Roundtable	summarize their teaching tool. After the presentations are completed, presenters will be assigned a table. Attendees will circulate through the tables every 10 minutes to get to learn about the teaching tools.	Engineering Division (ChED), Chemical Engineering Division (ChED)	Palais des congrès de Montreal	510B
Tue, Jun 24	11:00 AM	12:30 PM	Next-Gen Learning: AI and Data Science in Academia	Learning: AI and Data Science in Academia," will delve into the revolutionary impact of artificial intelligence (AI) and data science on higher education. As these cutting-edge technologies continue to evolve, their	and Artificial Intelligence (DSAI) Constituent Committee, Engi	Palais des congrès de Montreal	521A
Tue, Jun 24	11:00 AM	12:30 PM	ASEE CEED Division Business Meeting	This meeting is open to all current CEED division members and interested guests who are working in work-integrated learning (co-op, internships, global and domestic, etc.).	Cooperative and Experiential Education Division (CEED)	Westin Montreal	Youville - 3rd Floor
Tue, Jun 24	11:00 AM	12:30 PM	International Division (INTL) Special Session - Humanitarian Engineering		International Division (INTL)	Palais des congrès de Montreal	515A
Tue, Jun 24	11:00 AM	12:30 PM	Librarians Engineering Our Way to Good Peer Review Feedback: How to Avoid Being Reviewer #2: Interactive Panel	engaged in, whether through ASEE or other professional publishing opportunities, both as author and reviewer. Though it is a common part of our academic lives, it is not something that is often taught - there is no Peer Reviewing	Libraries Division (ELD), Engineering Libraries Division (ELD)	Palais des congrès de Montreal	517B
Tue, Jun 24	11:00 AM	12:30 PM	ASEE Fellows Lunch (ASEE Fellows Only)	a special, invitation-only event that honors the accomplishments of ASEE Fellows—individuals who have made significant, long-term contributions to the field of engineering education. These contributions		Westin Montreal	Montreal C - 11th Floor

Day	Starts	Ends	Title	Description	Division	Location	Room
Tue, Jun 24	11:00 AM	12:30 PM	Asian Queer Experiences in Engineering: Intersectionality, Inclusion, and Institutional Change Panel	intersecting identities of Asian (American) queer individuals in engineering and foster dialogue around the challenges and opportunities they encounter in educational and professional settings. Through personal	Equity, Culture & Social Justice in Education Division (EQUITY)	Westin Montreal	Beaver Hall - 8th Floor
Tue, Jun 24	11:00 AM	12:30 PM	Engineering and Public Policy “ Tools for Educational Leaders	division will host a session to present and prompt discussion of topics related to (1) policies that support students and faculty in engineering education, (2) creating systemic change in STEM higher education, and (3)	Engineering and Public Policy Division (EPP)	Palais des congres de Montreal	522A
Tue, Jun 24	11:00 AM	12:30 PM	First-Year Engineering in the Regional Campus Context: A Conversation with the Faculty in These Spaces	thoughtful and open dialogue within the engineering education community about the unique experiences, challenges, opportunities, and needs of regional campus settings. Specifically, this panel session aims	Programs Division (FPD), Two-Year College Division (TYCD)	Palais des congres de Montreal	520F
Tue, Jun 24	11:00 AM	12:30 PM	Advancing Pre-College Engineering Education: A Look Back and the Road Ahead	of the PCEE division to reflect on the division's origins, key milestones, and evolving impact in pre-college engineering education. Panelists will share insights into how the division began, its early challenges, and the initiatives that	Engineering Education Division (PCEE), Pre-College	Palais des congres de Montreal	522B
Tue, Jun 24	11:00 AM	12:30 PM	Classroom for Transformative Energy Performance; Can Engineering Educators Shift the Paradigm to	being accomplished by three academic institutions to decarbonize their campuses to create “Living Classrooms” while shifting the academic paradigm to equip energy engineers and others to accelerate the	Conversion, Conservation and Nuclear Engineering Division	Palais des congres de Montreal	512H
Tue, Jun 24	11:00 AM	12:30 PM	Engineering for One Planet (EOP) Mini-Grant Program: Teaching Sustainability across the Higher Education Landscape	Lemelson Foundation Engineering for One Planet (EOP) initiative Mini-Grant Program (MGP). For the past three years, the EOP-MGP has brought teams of engineering educators together to develop curricula in engineering	Engineering & Sustainability Division (ENVIRON), Environmental	Palais des congres de Montreal	515C
Tue, Jun 24	11:00 AM	12:30 PM	Instrumentation Division Business Meeting	activities of the past year and plans for the upcoming year. Elections are not held this year with all offices in the middle of two-year terms. All who are interested in Instrumentation as it applies to engineering education are welcome	Instrumentation Division (INST)	Westin Montreal	Bonsecours - 3rd Floor
Tue, Jun 24	11:00 AM	12:30 PM	Building Competence Toward an Anti-Racist Teaching Practice	consider the context of whiteness in engineering education spaces, and provide capacity building, reflection, and a guided opportunity to design a path forward and commit to racially equitable practices in your		Westin Montreal	St Jacques - 3rd Floor
Tue, Jun 24	11:00 AM	12:30 PM	Supporting and Mentoring Racially Minoritized Engineering Students in Undergraduate Research Experiences	have been promoted as a mechanism for increasing the retention and persistence of racially minoritized students in engineering. The literature tells us that there are a multitude of positive outcomes and benefits associated		Westin Montreal	Victoria - 3rd Floor
Tue, Jun 24	11:00 AM	12:30 PM	Advancing Equity for Academic Caregivers through Micro Initiative Design	significant challenges in balancing caregiving responsibilities with professional demands. Institutions often uphold an "ideal worker" model that presumes individuals have limitless availability and minimal external obligations.		Westin Montreal	Ramezay - 8th Floor
Tue, Jun 24	11:00 AM	12:30 PM	Undergraduate Experience Committee (UEC) Workshop on Literacy in Artificial Intelligence and Cybersecurity	and Cybersecurity Session Description: This interactive session for all engineering educators explores a fundamental understanding of what AI and		Palais des congres de Montreal	522C
Tue, Jun 24	11:00 AM	12:30 PM	Engineering Technology Division (ETD) Business Meeting		Engineering Technology Division (ETD)	Westin Montreal	Papineau - 3rd Floor

Day	Starts	Ends	Title	Description	Division	Location	Room
Tue, Jun 24	11:00 AM	12:30 PM	Software Engineering Division (SWED) Business Meeting		Engineering Division (SWED), Software Engineering Division (SWED)	Westin Montreal	Notre Dame - 3rd Floor
Tue, Jun 24	11:00 AM	12:30 PM	Entrepreneurship & Engineering Innovation Division (ENT) Business Meeting		Entrepreneurship & Engineering Innovation Division (ENT)	Westin Montreal	Room 417 - Salle A - Victoria
Tue, Jun 24	11:00 AM	12:30 PM	Biomedical Engineering Division (BED) Business Meeting	All are welcome! Come hear from the BED Division Chair, Program Chair, and Program-Chair elect. Participate in the election of the next program chair. Learn about other ways to get involved in the division.	Engineering Division (BED), Biomedical Engineering Division	Westin Montreal	Montreal D - 11th Floor
Tue, Jun 24	11:00 AM	12:30 PM	SPONSOR TECH SESSION: Elevating Education: Explore Today, Shape Tomorrow - Presented by McGraw Hill	empower educators with innovative tools and strategies to enhance teaching and learning practices. The workshop will be structured around two key themes: Explore Today:		Palais des congrès de Montreal	518C - Sponsor Tech Room
Tue, Jun 24	11:00 AM	12:30 PM	SPONSOR TECH SESSION: Curriculum Development with MATLAB Copilot and Generative AI - Presented by MathWorks	educators can use generative AI tools, like MATLAB Copilot, to create engaging MATLAB curriculum. We'll dive into workflows for creating instructional content, hands-on activities, and assessment instruments using		Palais des congrès de Montreal	518A - Sponsor Tech Room
Tue, Jun 24	11:00 AM	12:30 PM	Using the FE exam for effective outcomes assessment and course improvement - Presented by NCEES	can use the FE exam as part of your continuous improvement processes for your individual courses and engineering programs. The FE exam provides valuable, nationally normed direct assessment data that allows you to		Palais des congrès de Montreal	518B - Sponsor Tech Room
Tue, Jun 24	11:00 AM	12:30 PM	Discoveries to Action: Understanding and Implementing UL Safety Standards in Engineering Education CP12	UL Standards & Engagement, the two non-profit organizations within the Underwriters Laboratories enterprise, will highlight their powerful collaboration to develop Standards Academy, an online, open-access educational	Electrical and Computer Engineering Division (ECE)	Palais des congrès de Montreal	511F
Tue, Jun 24	11:00 AM	12:30 PM	ET National Forum	ET National Forum	Technology Division (ETD), Engineering Technology Division (ETD)	Westin Montreal	Montreal A - 11th Floor
Tue, Jun 24	11:00 AM	12:30 PM	CMC Industry Day Panel Session 2 - Lifelong Learning Lighthouse	Panelists: Dr. Nelson Baker, GA Tech, Inaugural Interim Dean - College of Lifetime Learning Octavio Heredia, Arizona State University, Director, Global Outreach & Extended		Palais des congrès de Montreal	517A
Tue, Jun 24	11:00 AM	12:30 PM	EMD Panel: Mutual Gains: The Value of Industry Collaborations in Engineering Management Education	industry connections and collaborations in enhancing the preparedness of engineering management students for their future careers. Panelists from both academia and industry will discuss how integrating real-world projects,	Engineering Management Division (EMD)	Palais des congrès de Montreal	516D
Tue, Jun 24	11:00 AM	12:30 PM	Aerospace Division (AERO) Technical Session 4 - Teaching Methodology		Aerospace Division (AERO)	Palais des congrès de Montreal	523B
Tue, Jun 24	11:00 AM	12:30 PM	Graduate Education, Artificial Intelligence		Professional, and Online Education Division (CPOED)	Palais des congrès de Montreal	511D

Day	Starts	Ends	Title	Description	Division	Location	Room
Tue, Jun 24	11:00 AM	12:30 PM	Design in Engineering Education Division (DEED) - Embedding Industry in Design Education	experiences are informed by and aligned with real-world engineering methods, expectations, and contexts. Presenters will share approaches that integrate industry challenges and professional collaboration into design	Design in Engineering Education Division (DEED)	Palais des congrès de Montreal	524A
Tue, Jun 24	11:00 AM	12:30 PM	Design in Engineering Education Division (DEED) - Team-Based and Experiential Learning	strategies that leverage project-based learning to enhance student engagement and learning. The papers explore faculty versus student-driven project structures, integration of competition teams into coursework, and tools	Design in Engineering Education Division (DEED)	Palais des congrès de Montreal	524C
Tue, Jun 24	11:00 AM	12:30 PM	ERM Technical Session: Evolution of Engineering Education Research Methods		Educational Research and Methods Division (ERM)	Palais des congrès de Montreal	511E
Tue, Jun 24	11:00 AM	12:30 PM	ERM Technical Session: Examining Undergraduate Recruitment & Retention		Educational Research and Methods Division (ERM)	Palais des congrès de Montreal	511B
Tue, Jun 24	11:00 AM	12:30 PM	ERM Technical Session: Developing Engineering Competencies III		Educational Research and Methods Division (ERM)	Palais des congrès de Montreal	524B
Tue, Jun 24	11:00 AM	12:30 PM	ECE-Outreach and Engagement Strategies for Inspiring Future Engineers	ECE Outreach and Engagement Strategies for Inspiring Future Engineers	Electrical and Computer Engineering Division (ECE)	Palais des congrès de Montreal	511A
Tue, Jun 24	11:00 AM	12:30 PM	ENT-7: Approaches to Fostering Self-Efficacy and Data-Driven Decision Making	strengthening students' confidence in their abilities and encouraging the use of data to guide decisions in engineering education. Presenters will discuss classroom strategies, mentorship models, and learning frameworks	Entrepreneurship & Engineering Innovation Division (ENT)	Palais des congrès de Montreal	516A
Tue, Jun 24	11:00 AM	12:30 PM	BYOE (Bring Your Own Experiment): Innovative Tools and Techniques for Experiential Engineering Education	Join us in this session as we hear from authors discuss hands-on laboratory experiments that they have devised to improve the student learning experience in laboratories and lectures.	n and Laboratory-Oriented Studies Division (DELOS)	Palais des congrès de Montreal	512D
Tue, Jun 24	11:00 AM	12:30 PM	Division (FPD) Technical Session 6: Learning by Doing - Contextual and Community-Based Engineering		First-Year Programs Division (FPD)	Palais des congrès de Montreal	520D
Tue, Jun 24	11:00 AM	12:30 PM	First-Year Programs Division (FPD) Technical Session 7: Teams that Work - Collaboration and Project-Based Learning		First-Year Programs Division (FPD)	Palais des congrès de Montreal	520E
Tue, Jun 24	11:00 AM	12:30 PM	GSD 5: Mentorship		Graduate Studies Division (GSD)	Palais des congrès de Montreal	514A
Tue, Jun 24	11:00 AM	12:30 PM	Bridging Education and Real-World Impact: Training, Career Development, and Urban Systems	education, career development, and real-world applications. Papers explore preparing Industrial Engineering (IE) graduates to train workers on new procedures following system improvements, how required courses	Industrial Engineering Division (IED)	Palais des congrès de Montreal	523A

Day	Starts	Ends	Title	Description	Division	Location	Room
Tue, Jun 24	11:00 AM	12:30 PM	Computing and Information Technology Division (CIT) Technical Session 5	This session presents papers on a variety of topics pertaining to computing and information technology.	Computing and Information Technology Division (CIT)	Palais des congrès de Montreal	510A
Tue, Jun 24	11:00 AM	12:30 PM	Inspiring Future Engineers: Targeted Summer Programs for Diverse STEM Pathways	programs designed to engage high school and middle school students, especially underrepresented groups, in transportation, robotics, cybersecurity, and electrical/computer engineering. The papers	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	513A
Tue, Jun 24	11:00 AM	12:30 PM	Building Community and Inclusion in Pre-College Engineering Learning	and collaboration in engineering education. Exploring curriculum development, peer interaction, multilingual support, and design discussions, the papers reveal strategies that foster inclusive learning environments and	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	520C
Tue, Jun 24	11:00 AM	12:30 PM	Supporting Teachers and Students in STEM+C Learning Beyond the Classroom	roles in implementing computer science graduation requirements and organizing STEM co-curricular activities. It also explores elementary students' emotional experiences during engineering tasks,	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	513C
Tue, Jun 24	11:00 AM	12:30 PM	Liberal Education/Engineering & Society Division (LEES) Technical Session 6: LEES Works in Progress		Liberal Education/Engineering & Society Division (LEES)	Palais des congrès de Montreal	516E
Tue, Jun 24	11:00 AM	12:30 PM	Manufacturing Division (MFG) Technical Session 4		Manufacturing Division (MFG)	Palais des congrès de Montreal	510D
Tue, Jun 24	11:00 AM	12:30 PM	MATH - Hands-On Curriculum in Mathematics Education		Mathematics Division (MATH)	Palais des congrès de Montreal	513F
Tue, Jun 24	11:00 AM	12:30 PM	ME Division 4: Broadening Participation and Building Resilience		Mechanical Engineering Division (MECH)	Palais des congrès de Montreal	512G
Tue, Jun 24	11:00 AM	12:30 PM	ME Division 5: Advancing Robotic and Mechanisms Education		Mechanical Engineering Division (MECH)	Palais des congrès de Montreal	525A
Tue, Jun 24	11:00 AM	12:30 PM	Mechanics Division (MECHS) Technical Session 5		Mechanics Division (MECHS)	Palais des congrès de Montreal	520B
Tue, Jun 24	11:00 AM	12:30 PM	Minorities in Engineering Division (MIND) Technical Session 5		Minorities in Engineering Division (MIND)	Palais des congrès de Montreal	513D
Tue, Jun 24	11:00 AM	12:30 PM	Multidisciplinary Engineering Division (MULTI) Technical Session 5		Multidisciplinary Engineering Division (MULTI)	Palais des congrès de Montreal	511C

Day	Starts	Ends	Title	Description	Division	Location	Room
Tue, Jun 24	11:00 AM	12:30 PM	Multidisciplinary Engineering Division (MULTI) Technical Session 6		Multidisciplinary Engineering Division (MULTI)	Palais des congrès de Montreal	512C
Tue, Jun 24	11:00 AM	12:30 PM	Engineering Physics and Physics Division (EP2D) Technical Session 1		Engineering Physics and Physics Division (EP2D)	Palais des congrès de Montreal	512F
Tue, Jun 24	11:00 AM	12:30 PM	Collaborative Learning in Engineering		Student Division (STDT)	Palais des congrès de Montreal	514C
Tue, Jun 24	11:00 AM	12:30 PM	Preparing Future Chemical Engineers		Chemical Engineering Division (ChED)	Palais des congrès de Montreal	510C
Tue, Jun 24	11:00 AM	12:30 PM	Two-Year College Division (TYCD) Technical Session 3: Identity and Achievement		Two-Year College Division (TYCD)	Palais des congrès de Montreal	512E
Tue, Jun 24	11:00 AM	12:30 PM	Diversity, Inclusion, and Representation in STEM	of diversity, inclusion, and representation in STEM fields, exploring how these factors contribute to innovation, creativity, and equitable opportunities.	Community Engagement Division (COMMENG)	Palais des congrès de Montreal	520A
Tue, Jun 24	11:00 AM	12:30 PM	Faculty Development: Centers	These papers pertain to the work of Faculty Development Centers.	Faculty Development Division (FDD)	Palais des congrès de Montreal	513E
Tue, Jun 24	11:00 AM	12:30 PM	and Justice through Art (Equity, Culture & Social Justice in Education Division ECSJ Technical Session 6)		Equity, Culture & Social Justice in Education Division (EQUITY)	Palais des congrès de Montreal	521C
Tue, Jun 24	11:00 AM	12:30 PM	Civil Engineering Capstone Showcase	Presenters will share insights and innovations related to the Capstone Design experience.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	513B
Tue, Jun 24	11:00 AM	12:30 PM	Broadening Participation in Civil Engineering	Presenters will share how they are weaving social justice, societal context, stakeholder equity, and related topics into their courses and programs.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	519A
Tue, Jun 24	11:00 AM	12:30 PM	Computers in Education Division (COED) Track 3.C	Computing Courses and Pedagogy: Specialized Programming Applications	Computers in Education Division (COED)	Palais des congrès de Montreal	525B
Tue, Jun 24	11:00 AM	12:30 PM	Computers in Education Division (COED) Track 2.C	AI and Innovative Teaching Approaches: AI Integration in Curriculum and Instruction	Computers in Education Division (COED)	Palais des congrès de Montreal	514B

Day	Starts	Ends	Title	Description	Division	Location	Room
Tue, Jun 24	11:00 AM	12:30 PM	Computers in Education Division (COED) Track 4.C	EdTech & Learning Environments: Virtual Environments and Simulations	Computers in Education Division (COED)	Palais des congrès de Montreal	515B
Tue, Jun 24	11:00 AM	12:30 PM	Construction Engineering Division: Innovative Pedagogy and Student Engagement	Papers presenting creative teaching to enhance construction education.	Construction Engineering Division (CONST)	Palais des congrès de Montreal	512B
Tue, Jun 24	11:00 AM	12:30 PM	DSAI Technical Session 5: Educational Technology and Innovative Tools	Showcases cutting-edge edtech solutions that support interactive, adaptive, and accessible learning environments.	and Artificial Intelligence (DSAI) Constituent Committee	Palais des congrès de Montreal	521B
Tue, Jun 24	11:00 AM	12:30 PM	Minorities in Engineering Division (MIND) Technical Session 11		Minorities in Engineering Division (MIND)	Palais des congrès de Montreal	519B
Tue, Jun 24	11:00 AM	12:30 PM	Informal Education and Outreach Programs for Women Engineering Students	This session covers informal and outreach programs with a discussion on broadening participation in engineering and engineering technology.	Women in Engineering Division (WIED)	Palais des congrès de Montreal	512A
Tue, Jun 24	12:30 PM	6:00 PM	Exhibit Hall Open & Poster Viewing			Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Tue, Jun 24	12:30 PM	1:30 PM	FREE TIME & Exhibit Hall Bistro			Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Tue, Jun 24	12:30 PM	6:00 PM	Mathworks Mini-Drone Competition			Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Tue, Jun 24	1:30 PM	3:00 PM	Chemical Engineering Division Business Meeting	The Business Meeting of the Chemical Engineering Division will include an annual update from all officers and introduction of new officers.	Engineering Division (ChED), Chemical Engineering Division (ChED)	Westin Montreal	Ville-Marie B - 9th Floor
Tue, Jun 24	1:30 PM	3:00 PM	creating activities for a teacher preparation textbook on active learning in engineering ethics education	Routledge International Handbook of Engineering Ethics Education (RIHEEE) in the last quarter of 2024, the handbook's three lead editors are embarking on developing a new textbook on teaching engineering ethics.	Engineering Ethics Division (ETHICS)	Westin Montreal	Ramezay - 8th Floor
Tue, Jun 24	1:30 PM	3:00 PM	Building Global Communication Competency in Engineering Workshop	exclusively for engineering faculty, where you'll gain invaluable insights from leading ASEE International Division experts on cultivating globally sensitive engineering professionals in your classrooms! This	Division (INTL), International Division (INTL), International Division	Palais des congrès de Montreal	515A
Tue, Jun 24	1:30 PM	3:00 PM	ASEE New Board Orientation			Westin Montreal	Fortifications - ASEE Board Meeting Room - 9th Floor

Day	Starts	Ends	Title	Description	Division	Location	Room
Tue, Jun 24	1:30 PM	3:00 PM	ERM Special Session: Meet the Engineering Education Pioneers	scholars and pioneers in engineering education an opportunity to interact face-to-face. Session attendees will have the opportunity to meet with pioneers in a roundtable format to ask questions, seek advice, and get feedback. The	Research and Methods Division (ERM),Educational Research	Palais des congrès de Montreal	516B
Tue, Jun 24	1:30 PM	3:00 PM	Planning Session	Please join us as we begin planning the 2026 annual conference.	Civil Engineering Division (CIVIL)	Westin Montreal	Montreal D - 11th Floor
Tue, Jun 24	1:30 PM	3:00 PM	Graduate Student Labor Organizing Panel	wave in higher education. Despite the tangible benefits that labor unions offer workers generally and graduate workers particularly, there is little discussion or study in engineering education of the importance of labor unions,	& Social Justice in Education Division (EQUITY),Liberal	Palais des congrès de Montreal	522C
Tue, Jun 24	1:30 PM	3:00 PM	Faculty Uses of AI Tools to Enhance Engineering Teaching and Learning	will share their innovative uses of AI tools to enhance both teaching practices and student learning outcomes. From automating routine tasks like grading to creating more personalized and engaging learning	Programs Division (FPD),Data Science and Artificial	Palais des congrès de Montreal	520E
Tue, Jun 24	1:30 PM	3:00 PM	SPECIAL SESSION: Engineering for the People and the Planet: Learning from the Ground Up	and you will find a narrative implicit in modern engineering practice premised on an uncontested definition of "progress" as the colonial march of civilization. In this session, we contest that definition by hearing	Liberal Education/Engineering & Society Division (LEES)	Palais des congrès de Montreal	516C
Tue, Jun 24	1:30 PM	3:00 PM	Safe Zone Ally Training - Level 2	informed workshops for students, faculty, and the professional community, during which participants will build the knowledge and skills needed to create a more inclusive and affirming environment for LGBTQIA+		Westin Montreal	Viger - 8th Floor
Tue, Jun 24	1:30 PM	3:00 PM	CANCELLED: Diversity, Equity, and Inclusion: 200	but individual awareness and action are not enough. In order to transform our institutions and organizations to be more diverse, equitable, and inclusive, we must understand the larger systems we construct, operate		offsite	
Tue, Jun 24	1:30 PM	3:00 PM	Engineering Deans Council (EDC) Executive Board Meeting	Engineering Deans Council (EDC) Executive Board Meeting		Westin Montreal	Papineau - 3rd Floor
Tue, Jun 24	1:30 PM	3:00 PM	Construction Business Meeting	Construction Business Meeting	Construction Engineering Division (CONST)	Westin Montreal	Bonsecours - 3rd Floor

Wed, Jun 25	11:30 AM	1:00 PM	Curriculum Development and Pedagogical Innovations	curriculum design and instructional strategies in biomedical engineering education. Topics include the integration of stakeholder engagement through the Biomedical Stakeholder Café, scaffolding models for	Biomedical Engineering Division (BED)	Palais des congrès de Montreal	513E

Day	Starts	Ends	Title	Description	Division	Location	Room
Wed, Jun 25	11:30 AM	1:00 PM	Minorities in Engineering Division(MIND) Technical Session 8		Minorities in Engineering Division(MIND)	Palais des congrès de Montreal	513D
Wed, Jun 25	11:30 AM	1:00 PM	Multidisciplinary Engineering Division (MULTI) Technical Session 9		Multidisciplinary Engineering Division (MULTI)	Palais des congrès de Montreal	512F
Wed, Jun 25	11:30 AM	1:00 PM	Engineering Physics and Physics Division (EP2D) Technical Session 3		Engineering Physics and Physics Division (EP2D)	Palais des congrès de Montreal	512G
Wed, Jun 25	11:30 AM	1:00 PM	Tools, Identities, and Personality in Engineering Education		Student Division (STDT)	Palais des congrès de Montreal	514C
Wed, Jun 25	11:30 AM	1:00 PM	Inclusive and Interdisciplinary Approaches in Labs and Research		Chemical Engineering Division (ChED)	Palais des congrès de Montreal	510B
Wed, Jun 25	11:30 AM	1:00 PM	Leveraging AI and Computational Tools for Enhanced Learning		Chemical Engineering Division (ChED)	Palais des congrès de Montreal	510C
Wed, Jun 25	11:30 AM	1:00 PM	Systemic and Policy Issues affecting Women Engineers	This session provides large-scale and longitudinal studies that present systemic and policy issues impacting women engineers in higher education.	Women in Engineering Division (WIED)	Palais des congrès de Montreal	513C
Wed, Jun 25	11:30 AM	1:00 PM	Faculty Development: Collaborations	These papers discuss faculty development collaborations, some international and some US.	Faculty Development Division (FDD)	Palais des congrès de Montreal	515B
Wed, Jun 25	11:30 AM	1:00 PM	Concealable Stigmatized Identities (Equity, Culture & Social Justice in Education Division ECSJ Technical Session 10)		Equity, Culture & Social Justice in Education Division (EQUITY)	Palais des congrès de Montreal	521C
Wed, Jun 25	11:30 AM	1:00 PM	The Real World-Project-Based & Experiential Learning	Presenters will share how they use projects and real-world contexts to provide students with authentic learning experiences.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	519A
Wed, Jun 25	11:30 AM	1:00 PM	Computers in Education Division (COED) Track 6.B	Assessment and Learning Analytics: Assessment Methods and Student Outcomes	Computers in Education Division (COED)	Palais des congrès de Montreal	523B
Wed, Jun 25	11:30 AM	1:00 PM	Computers in Education Division (COED) Track 5.C	Computing & Society: Applied Learning and Case Studies	Computers in Education Division (COED)	Palais des congrès de Montreal	525A

Day	Starts	Ends	Title	Description	Division	Location	Room
Wed, Jun 25	11:30 AM	1:00 PM	Construction Engineering Division: Curriculum Development	Papers on construction education curriculum improvements.	Construction Engineering Division (CONST)	Palais des congrès de Montreal	512B
Wed, Jun 25	11:30 AM	1:00 PM	Manufacturing Division (MFG) Technical Session 7		Manufacturing Division (MFG)	Palais des congrès de Montreal	518A - Sponsor Tech Room
Wed, Jun 25	11:30 AM	1:00 PM	DSAI Technical Session 9: Student Reflections, Metacognition, and Competency Mapping	Explores practices that encourage students to think about their learning processes and track their skills and growth over time.	and Artificial Intelligence (DSAI) Constituent Committee	Palais des congrès de Montreal	521A
Wed, Jun 25	11:30 AM	1:00 PM	Instrumentation Methods and Techniques	understanding of our experiments, there are often standard ways to employ the instruments. However, we can gain understanding more efficiently from our investigations by creatively employing our	Instrumentation Division (INST)	Palais des congrès de Montreal	522C
Wed, Jun 25	11:30 AM	1:00 PM	New Engineering Educators (NEE) Technical Session 4 - Undergraduate Student Learning	undergraduate level? This technical session is ideal for instructors and researchers who enjoy that challenge, and are passionate about strategies to improve the undergraduate student learning experience. The presenters	New Engineering Educators Division (NEE)	Palais des congrès de Montreal	515A
Wed, Jun 25	11:30 AM	1:00 PM	Mechanics Division (MECHS) Technical Session 7B		Mechanics Division (MECHS)	Palais des congrès de Montreal	511F
Wed, Jun 25	1:00 PM	2:00 PM	FREE TIME			Palais des congrès de Montreal	001 -Exhibit Hall 220 C
Wed, Jun 25	1:15 PM	1:25 PM	2025/2026 ASEE Board of Directors Photo	Group photo shoot for 2025/2026 ASEE Board Members		Westin Montreal	Fortifications - ASEE Board Meeting Room - 9th Floor
Wed, Jun 25	1:30 PM	3:30 PM	2025/2026 ASEE Board of Directors Meeting			Westin Montreal	Fortifications - ASEE Board Meeting Room - 9th Floor
Wed, Jun 25	2:00 PM	3:30 PM	ChED Membership Focus Group	to work with members to identify how we can best meet your needs. Bring your lunch and join us for a focus group aimed at identifying how the Chemical Engineering Division can best serve you! This focus group will first aim	Engineering Division (ChED), Chemical Engineering Division	Palais des congrès de Montreal	516D
Wed, Jun 25	2:00 PM	3:30 PM	Trends and Topics Related to ABET Accreditation	The panel will answer questions and provide input on navigating the ABET accreditation process from the perspective of Engineering Physics.	Engineering Physics and Physics Division (EP2D)	Palais des congrès de Montreal	512G
Wed, Jun 25	2:00 PM	3:30 PM	Mindfulness and Meditation in the Engineering Classroom	mindfulness and meditation, focusing on the essential principles and diverse methods of integrating them into the engineering classroom. Participants will engage in discussions about the art and science of	New Engineering Educators Division (NEE)	Palais des congrès de Montreal	515A

Day	Starts	Ends	Title	Description	Division	Location	Room
Wed, Jun 25	2:00 PM	3:30 PM	International Division (INTL) Technical Session 4		International Division (INTL)	Westin Montreal	Palais - 8th Floor
Wed, Jun 25	2:00 PM	3:30 PM	FDD Members Discussion and Planning	Meeting for FDD membership to discuss division goals and goals	Faculty Development Division (FDD)	Westin Montreal	Montreal D - 11th Floor
Wed, Jun 25	2:00 PM	3:30 PM	SPECIAL SESSION: Integrating Sociotechnical Issues into Engineering Curricula: Insights from the SEES Cohort	technically-focused engineering courses is crucial for preparing graduates for their professional careers but it is challenging. Many engineering instructors feel unprepared to incorporate such content into their curricula	Education/Engineering & Society Division (LEES), Liberal Education/Engineering	Westin Montreal	Ramezay - 8th Floor
Wed, Jun 25	2:00 PM	3:30 PM	Environmental Engineers Solving Problems of Planetary Health	solutions-oriented, transdisciplinary field and social movement focused on analyzing and addressing the impacts of human disruptions to Earth's natural systems on human health and all life on Earth, and Planetary Health	Environmental Engineering & Sustainability Division (ENVIRON)	Palais des congrès de Montreal	512D
Wed, Jun 25	2:00 PM	3:30 PM	Scaffolding Complex Problems and Projects to Build Engineering Identity and Promote Productive Meta-affect	assigning and supporting students in solving complex problems while attending to students' affect, or emotions and feelings, and their development of engineering identity. This special session will discuss how emotions	Educational Research and Methods Division (ERM)	Westin Montreal	Montreal B - 11th Floor
Wed, Jun 25	2:00 PM	3:30 PM	them about AI?" A conversation around expectations of higher education institutions for entering students' AI	Join a conversation to inform pre-college educators preparing students to enter engineering programs. Students, PreK-12 teachers, and engineering faculty and leadership are encouraged to attend.	Engineering Education Division (PCEE), Aerospace Division	Westin Montreal	Montreal C - 11th Floor
Wed, Jun 25	2:00 PM	3:30 PM	Design in Engineering Education Division (DEED) Teaching Engineering Decision and Process	This session brings together research on how students build engineering reasoning, leadership, and design proficiency. Paper topics include instructional models, formative feedback, and longitudinal skill development.	Design in Engineering Education Division (DEED)	Palais des congrès de Montreal	520F
Wed, Jun 25	2:00 PM	3:30 PM	ERM WIP IV: Examining Undergraduate Recruitment & Retention		Educational Research and Methods Division (ERM)	Palais des congrès de Montreal	513E
Wed, Jun 25	2:00 PM	3:30 PM	Emerging Technologies and AI Integration in ECE Education	Emerging Technologies and AI Integration in ECE Education	Electrical and Computer Engineering Division (ECE)	Palais des congrès de Montreal	512H
Wed, Jun 25	2:00 PM	3:30 PM	Engineering Ethics Division (ETHICS) Technical Session - Expanding horizons		Engineering Ethics Division (ETHICS)	Palais des congrès de Montreal	523A
Wed, Jun 25	2:00 PM	3:30 PM	Engineering Technology Division (ETD) Technical Session 9		Engineering Technology Division (ETD)	Palais des congrès de Montreal	512C
Wed, Jun 25	2:00 PM	3:30 PM	Division (FPD) Technical Session 12: Bridging the Gap - Strategies to Support Diverse Learners in Early Engineering Courses		First-Year Programs Division (FPD)	Palais des congrès de Montreal	511B

Day	Starts	Ends	Title	Description	Division	Location	Room
Wed, Jun 25	2:00 PM	3:30 PM	Computing and Information Technology Division (CIT) Technical Session 9	This session presents papers on a variety of topics pertaining to computing and information technology.	Computing and Information Technology Division (CIT)	Palais des congrès de Montreal	518C - Sponsor Tech Room
Wed, Jun 25	2:00 PM	3:30 PM	Engaging and Empowering K-12 Students through Collaborative STEM Projects and Inclusive Outreach	microelectronics lessons boost middle school girls' discourse, the development of coordination skills via systems engineering projects, and the impact of client-letter analysis on pre-college STEM curricula. It also	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	513A
Wed, Jun 25	2:00 PM	3:30 PM	Education/Engineering & Society Division (LEES) Technical Session 9: Collaboration and Community		Liberal Education/Engineering & Society Division (LEES)	Palais des congrès de Montreal	513B
Wed, Jun 25	2:00 PM	3:30 PM	ME Division 12: Innovative Approaches to Thermodynamics		Mechanical Engineering Division (MECH)	Palais des congrès de Montreal	515C
Wed, Jun 25	2:00 PM	3:30 PM	Hands-On Learning and Clinical Immersion in BME	approaches that bridge biomedical engineering education with real-world applications. Presentations will explore laboratory curriculum innovations focused on musculoskeletal tissue characterization, the	Biomedical Engineering Division (BED)	Palais des congrès de Montreal	510C
Wed, Jun 25	2:00 PM	3:30 PM	Multidisciplinary Engineering Division (MULTI) Technical Session 10		Multidisciplinary Engineering Division (MULTI)	Palais des congrès de Montreal	512F
Wed, Jun 25	2:00 PM	3:30 PM	Advancing Labs: From VR to Process Control		Chemical Engineering Division (ChED)	Palais des congrès de Montreal	510B
Wed, Jun 25	2:00 PM	3:30 PM	Engagement and Participation for Women Engineers	This session covers an overview of programs for engagement and participation for women engineers in higher education.	Women in Engineering Division (WIED)	Palais des congrès de Montreal	513C
Wed, Jun 25	2:00 PM	3:30 PM	Faculty Development: Lessons Learned Papers and Lightning Talks	Class families, Future faculty, Communities of Practice, SCRUM	Faculty Development Division (FDD)	Palais des congrès de Montreal	514B
Wed, Jun 25	2:00 PM	3:30 PM	Futures in Engineering (Equity, Culture & Social Justice in Education Division ECSJ Technical Session 11)		Equity, Culture & Social Justice in Education Division (EQUITY)	Palais des congrès de Montreal	521C
Wed, Jun 25	2:00 PM	3:30 PM	Student Services & Supports	Presenters will share strategies for student success and wellness.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	519A
Wed, Jun 25	2:00 PM	3:30 PM	Computers in Education Division (COED) Track 5.D	Computing & Society: Innovative Curricular Approaches	Computers in Education Division (COED)	Palais des congrès de Montreal	525A

Day	Starts	Ends	Title	Description	Division	Location	Room
Wed, Jun 25	2:00 PM	3:30 PM	Computers in Education Division (COED) Track 6.C	Assessment and Learning Analytics: Student Engagement and Self-Regulation	Computers in Education Division (COED)	Palais des congrès de Montreal	512E
Wed, Jun 25	2:00 PM	3:30 PM	Construction Engineering Division: Career Preparation	Papers focusing on various aspects of students' construction career development.	Construction Engineering Division (CONST)	Palais des congrès de Montreal	512B
Wed, Jun 25	2:00 PM	3:30 PM	Manufacturing Division (MFG) Technical Session 8		Manufacturing Division (MFG)	Palais des congrès de Montreal	518A - Sponsor Tech Room
Wed, Jun 25	2:00 PM	3:30 PM	DSAI Technical Session 10: Research Infrastructure and Institutional Insights	Discusses the systems, tools, and analytics that support educational research and provide a comprehensive view of institutional effectiveness.	and Artificial Intelligence (DSAI) Constituent Committee	Palais des congrès de Montreal	521A
Wed, Jun 25	2:00 PM	3:30 PM	Minorities in Engineering Division(MIND) Technical Session 15		Minorities in Engineering Division(MIND)	Palais des congrès de Montreal	510A
Wed, Jun 25	3:30 PM	5:00 PM	2025/2026 ASEE Nominating Committee Meeting			Westin Montreal	Fortifications - ASEE Board Meeting Room - 9th Floor
Wed, Jun 25	3:45 PM	5:15 PM	SPECIAL SESSION: Mapping Initiatives to Support LGBTQIA Engineers	changes are often the goals of engineering education studies and projects. However, the activities of these projects often focus on one element of the larger system, typically the student experience. The student experience is	Education/Engineering & Society Division (LEES), Liberal Education/Engi	Palais des congrès de Montreal	516C
Wed, Jun 25	3:45 PM	5:15 PM	Best DEI Paper Award Finalists	The finalists for this year's Diversity, Equity, and Inclusion Best Paper Award will be presented in this session.		Westin Montreal	Viger - 8th Floor
Wed, Jun 25	3:45 PM	5:15 PM	Session: Adapting Teaching Practices to Support the Mental Health and Well-Being of Undergraduate	implementing targeted interventions to better support the mental health of engineering undergraduate students. Research indicates that engineering students face unique stressors which can significantly impact their	Educational Research and Methods Division (ERM)	Westin Montreal	Montreal B - 11th Floor
Wed, Jun 25	3:45 PM	5:15 PM	ERM Special Session: Building success: Crafting rules of engagement for our research groups	revolutionize engineering departments through the implementation of existing EngEd research, use of organizational and cultural change theories, and production of new knowledge [1], [2]. Given the extent of these goals, EngEd	Educational Research and Methods Division (ERM)	Westin Montreal	Victoria - 3rd Floor
Wed, Jun 25	3:45 PM	5:15 PM	Elevating Community Visions of ECSJ through Photovoice	research methods (e.g., photovoice) can be leveraged to elevate the participant voices during research and intervention development. Using the prior work of the facilitators as a guide, attendees will see how centering	Equity, Culture & Social Justice in Education Division (EQUITY)	Westin Montreal	St Jacques - 3rd Floor
Wed, Jun 25	3:45 PM	5:15 PM	Interdivisional Feedback Session	stop by to share the highlights of the conference and best practices with the PIC Chairpersons. Specific Topics of Discussion will involve:		Palais des congrès de Montreal	512A

Day	Starts	Ends	Title	Description	Division	Location	Room
Wed, Jun 25	3:45 PM	5:15 PM	ERM WIP V: Assessing & Developing Competencies in Engineering Education		Educational Research and Methods Division (ERM)	Palais des congrès de Montreal	513E
Wed, Jun 25	3:45 PM	5:15 PM	Hands-on Learning and Industry-Relevant in ECE Curriculum Development	Hands-on Learning and Industry-Relevant in ECE Curriculum Development	Electrical and Computer Engineering Division (ECE)	Palais des congrès de Montreal	512H
Wed, Jun 25	3:45 PM	5:15 PM	Engineering Technology Division (ETD) Technical Session 10		Engineering Technology Division (ETD)	Palais des congrès de Montreal	512C
Wed, Jun 25	3:45 PM	5:15 PM	First-Year Programs Division (FPD) Technical Session 13: Equity in Action - Identity, Mentorship, and Inclusion		First-Year Programs Division (FPD)	Palais des congrès de Montreal	511B
Wed, Jun 25	3:45 PM	5:15 PM	Supporting Teacher Practices for Inclusive and Culturally Relevant Engineering Education	school preservice teachers to overcome student idea fixation, elementary teacher learning for translanguaging in engineering, facilitation of students' epistemic engineering practices, and teachers' lived	Pre-College Engineering Education Division (PCEE)	Palais des congrès de Montreal	513A
Wed, Jun 25	3:45 PM	5:15 PM	Liberal Education/Engineering & Society Division (LEES) Technical Session 10: Institutions and Structures		Liberal Education/Engineering & Society Division (LEES)	Palais des congrès de Montreal	513C
Wed, Jun 25	3:45 PM	5:15 PM	Multidisciplinary Engineering Division (MULTI) Technical Session 11		Multidisciplinary Engineering Division (MULTI)	Palais des congrès de Montreal	512F
Wed, Jun 25	3:45 PM	5:15 PM	WiP: Interdisciplinary Connections		Chemical Engineering Division (ChED)	Palais des congrès de Montreal	510B
Wed, Jun 25	3:45 PM	5:15 PM	Faculty Development: Connections and Community	These papers focus on building connections and community between faculty and with teaching centers.	Faculty Development Division (FDD)	Palais des congrès de Montreal	515B
Wed, Jun 25	3:45 PM	5:15 PM	Institutional Support and Training (Equity, Culture & Social Justice in Education Division ECSJ Technical Session 12)		Equity, Culture & Social Justice in Education Division (EQUITY)	Palais des congrès de Montreal	521C
Wed, Jun 25	3:45 PM	5:15 PM	Assessments, Feedback, & Grading	Presenters will share insights on using assessments and other student feedback to improve courses and curricula.	Civil Engineering Division (CIVIL)	Palais des congrès de Montreal	519A
Wed, Jun 25	3:45 PM	5:15 PM	Computers in Education Division (COED) Track 6.D	Assessment and Learning Analytics: Frameworks and Interdisciplinary Approaches	Computers in Education Division (COED)	Palais des congrès de Montreal	512G

Day	Starts	Ends	Title	Description	Division	Location	Room
Wed, Jun 25	3:45 PM	5:15 PM	Minorities in Engineering Division(MIND) Technical Session 16		Minorities in Engineering Division(MIND)	Palais des congres de Montreal	510A
Wed, Jun 25	5:30 PM	6:30 PM	Program Chair Appreciation Celebration	celebratory event designed to recognize and honor the individuals who have significantly contributed to the structure and success of the ASEE Annual Conference. It provides an opportunity to acknowledge their hard work,		Palais des congres de Montreal	Terrace Reception Room
Wed, Jun 25	6:30 PM	8:00 PM	ASEE President's Farewell Reception	Farewell Reception caps off another dynamic conference. It offers an opportunity for attendees to come together and reflect on the conference experience while also bidding farewell to the outgoing ASEE President Grant		Palais des congres de Montreal	517CD - General Session
