

AMERICAN SOCIETY FOR ENGINEERING EDUCATION

2025 Fellow Nomination Form

Before completing this form, carefully read the guidelines for Fellow Member nomination. All information must be typed. Instead of using the sections allotted, you may attach a separate document per section. You must name the documents after the appropriate section. Email the complete form to fellows@asee.org.

CANDIDATE'S NON-ASEE-RELATED PROFESSIONAL ACTIVITIES (society memberships, offices held, awards, academic assignments, and government assignments, industrial assignments, advisory groups, etc.)

CANDIDATE'S ASEE-RELATED ACTIVITIES WITH EXPLANATIONS (committee memberships, offices held, awards, etc. Please include a detailed explanation of the work involved and the time involved in each aspect of the activity performed.)

CANDIDATE'S PUBLICATIONS (List the five most important publication. Include those dealing with education, if appropriate.)

CANDIDATE'S OTHER PROFESSIONAL ACHIEVEMENTS (Recognition for major contributions to the profession, such as books, patents, international service, visiting professorships, honorary degrees, advisory committees, consulting, continuing education, guidance and counseling, and similar activities.)

The nominator is responsible for soliciting references and ensuring references submit their letters to t.manicom@asee.org by the nomination deadline.

At least five letters of recommendation from ASEE members. Three of those letters must come from current ASEE Fellows. No more than two letters of support may come from individuals at the same institution. No current members of the Board of Directors, the Fellow Member Committee, the Awards Policy Committee, the Headquarters staff, or the nominator shall act as a reference..
